

London Cannon Street Accommodation

Our customers travel from all over the UK to our centres and sometimes it's easier to stay over night to avoid the head ache of travelling to and from the centre on public transport. We've looked up the local accommodation for you which is affordable and within walking distance from the centre. **Please Note: We only list the hotels in the local area and cannot vouch for them. If in doubt you can always check their reviews on trip advisor or Google.**
